INFORMATION CIRCULAR

(as at May 4, 2011 except as otherwise indicated)

SOLICITATION OF PROXIES

This information circular (the “Circular”) is provided in connection with the solicitation of proxies by the management of Avrupa Minerals Ltd. (the “Company”). The form of proxy which accompanies this Circular (the “Proxy”) is for use at the annual general meeting of the shareholders of the Company to be held on Wednesday June 8, 2011 (the “Meeting”), at the time and place set out in the accompanying notice of meeting (the “Notice of Meeting”). The Company will bear the cost of this solicitation. The solicitation will be made by mail, but may also be made by telephone.

APPOINTMENT AND REVOCATION OF PROXY

The person named in the Proxy is a director and officer of the Company. **A registered shareholder who wishes to appoint some other person to serve as their representative at the Meeting may do so by striking out the printed name and inserting the desired person's name in the blank space provided.** The completed Proxy should be delivered to Equity Financial Trust Company (“Equity”) by 10:00 am (Pacific Time) on Monday, June 6, 2011 (or before 48 hours, excluding Saturdays, Sundays and holidays before any adjournment of the Meeting at which the Proxy is to be used).

The Proxy may be revoked by:

- (a) signing a proxy with a later date and delivering it at the time and place noted above;
- (b) signing and dating a written notice of revocation and delivering it at the time and to the place noted above; or
- (c) attending the Meeting or any adjournment of the Meeting and registering with the scrutineer as a shareholder present in person.

Provisions Relating to Voting of Proxies

The shares represented by proxy in the enclosed form will be voted or withheld from voting by the designated holder in accordance with the direction of the registered shareholder appointing him. If there is no direction by the registered shareholder, those shares will be voted for all proposals set out in the Proxy and for the election of directors and the appointment of the auditors as set out in this Circular. The Proxy gives the person named in it the discretion to vote as such person sees fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Circular, the management of the Company knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.

Non-Registered Holders

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. A person is not a registered shareholder (a “Non-Registered Holder”) in respect of shares which are held either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“CDS”)), of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “OBOs”. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has elected to send the Notice of Meeting, this Circular and the Proxy (collectively, the “Meeting Materials”) directly to the NOBOs, and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them.

Intermediaries will frequently use service companies to forward the Meeting Materials to the OBOs. Generally, an OBO who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Equity; or
- (b) more typically, be given a voting instruction form (“VIF”) which is not signed by the Intermediary, and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

These securityholder materials are being sent to both registered shareholders and Non-Registered Holders. If you are a Non-Registered Holder, and the Company or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instruction.

The Meeting Materials sent to NOBOs who have not waived the right to receive meeting materials are accompanied by a VIF, instead of a form of proxy. By returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Shares owned by it.

VIFs, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder, or his or her nominee, the right to attend and vote at the Meeting.

Please return your voting instructions as specified in the VIF. Non-Registered Holders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Financial Statements

The audited financial statements of the Company for the eight months ended December 31, 2010, together with the auditor's report on those statements (the "Financial Statements"), will be presented to the shareholders at the Meeting.

EXECUTIVE COMPENSATION

Named Executive Officers

During the financial period ended December 31, 2010, the Company had three Named Executive Officers of the Company, being: Paul W. Kuhn, Chief Executive Officer (“CEO”) and President, Mark T. Brown, former Chief Executive Officer (“Former CEO”) and President and Winnie Wong, the Chief Financial Officer (“CFO”).

On July 8, 2010, Mark T. Brown resigned as CEO and President and Paul W. Kuhn was appointed the CEO and President.

“Named Executive Officer” means: (a) each Chief Executive Officer, (b) each Chief Financial Officer, (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000; and (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at the end of that financial year.

COMPENSATION DISCUSSION & ANALYSIS

Compensation Discussion & Analysis

The compensation of the Company's Named Executive Officers is determined by the Company's Board of Directors (the "Board") which is composed of four members, two of whom are independent.

The Board's compensation program is designed to provide competitive levels of compensation, a significant portion of which is dependent upon individual and corporate performance and contribution to increasing shareholder value. The Board recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, a NEO's compensation is comprised of two components:

- (a) Salary, wages or contractor payments; and
- (b) Stock option grants.

The objectives and reasons for this system of compensation are generally to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The CFO takes a payment as a contractor that is lower than comparative salary levels because she also works as the CFO for other companies and does not devote 100% of her time to the Company.

No directors' fees are paid.

Option-Based Awards

Stock option grants are made on the basis of the number of stock options currently held, position, overall individual performance, anticipated contribution to the Company's future success and the individual's ability to influence corporate and business performance. The purpose of granting such stock options is to assist the Company in compensating, attracting, retaining and motivating the officers, directors and employees of the Company and to closely align the personal interest of such persons to the interest of the shareholders.

The Board of Directors are responsible for granting options to executive officers. When new options are granted, the Board of Directors takes into account the previous grants of options and sets the price of the options at market, or in any case, no less than the maximum discount allowed by the TSX Venture Exchange.

AUDIT COMMITTEE

The Company is required to have an audit committee comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. The Company's current audit committee consists of Mark T. Brown, Gregory E. McKelvey and Donald E. Ranta.

Audit Committee Charter

The text of the audit committee's charter is attached as Schedule "A" to this Circular.

Composition of Audit Committee and Independence

National Instrument 52-110 *Audit Committees*, ("NI 52-110") provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with the Company, which could, in the view of the Company's board of directors, reasonably interfere with the exercise of the member's independent judgment.

In the view of management of the Company, Gregory McKelvey and Donald Ranta are "independent" as such term is defined in NI 52-100. Pacific Opportunity Capital Ltd., a company controlled by Mark T. Brown and his family, receives a consulting fee from the Company and, as such, Mr. Brown is not considered to be independent.

Relevant Education and Experience

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.

All of the members of the Company’s audit committee are financially literate as that term is defined.

Gregory E. McKelvey received a Bachelor of Arts in Geology from the University of Montana in 1966 and a Master of Science in Geology from the Franklin and Marshall College in 1967. He is an active consultant to companies engaged in the business of mining and mineral discovery and serves on the Industry Leadership Board for the University of Arizona Department of Mining & Geological Engineering. Mr. McKelvey is also the President and Chief Executive Officer and a director of Animas Resources Ltd. and a director of Rare Element Resources Ltd., both of which are mineral resource companies listed on the TSX Venture Exchange.

Donald E. Ranta is an exploration and development mining executive, experienced in planning, implementing and directing successful exploration and acquisition programs throughout North America, South America, Africa and other international locations. He has extensive experience in generative exploration, project exploration and appraisal, geologic-engineering, economic evaluation, and strategic and business planning. He has been a director of several junior exploration and mining companies. He has been the President of Pacific Opportunity Capital Ltd., a private company which provides financial solutions, equity and management services to small and medium size entrepreneurial enterprises, since 1997. He is currently a director and/or officer of various other public companies. He is also a founder, CFO and director of Rare Element Resources Ltd. listed on the TSX Venture Exchange and the NYSE AMEX.

Audit Committee Oversight

Since the commencement of the Company’s most recently completed financial year, the audit committee of the Company has not made any recommendations to nominate or compensate an external auditor which were not adopted by the board of directors of the Company.

Reliance on Certain Exemptions

Since the commencement of the Company’s most recently completed financial year, the Company has not relied on:

- (a) the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110; or
- (b) an exemption from NI 52-110, in whole or in part, granted under Part 8 (*Exemptions*).

Pre-Approval Policies and Procedures

The audit committee has not adopted any specific policies and procedures for the engagement of non-audit services.

DeVisser Gray		
Audit fees.....	\$12,000	\$5,000
Tax fees.....	Nil	Nil
All other fees.....	Nil	Nil
Total	\$12,000	\$5,000

Exemption in Section 6.1

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “Guidelines”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating four individuals to the Company’s board of directors (the “Board”), all of whom are current directors of the Company.

The Guidelines suggest that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. Of the proposed nominees, Paul W. Kuhn and Mark T. Brown are “inside” or management directors and accordingly such persons are not considered to be “independent” within the meaning of NI 52-110. Gregory E. McKelvey and Donald E. Ranta are considered by the Board to be “independent” within the meaning of NI 52-110. While, following this Meeting the Board will not have a majority of independent directors, it is the objective of the Company to strive to attain a majority of independent Board members.

The Company doesn’t currently have a chairman or a lead director of the board.

Directorships

The following directors of the Company are directors of other reporting issuers:

- Mark T. Brown is a director of Rare Element Resources Ltd., Animas Resources Ltd., Portal Resources Ltd., Strategem Capital Corporation, Sutter Gold Mining Inc. and Fox Resources Ltd.
- Donald E. Ranta is a director of Rare Element Resources Ltd., Otis Gold Corp. and Animas Resources Ltd.
- Gregory E. McKelvey is a director of Rare Element Resources Ltd., Redhawk Resources Ltd. and Animas Resources Ltd.

Orientation and Continuing Education

The Company does not have an orientation or continuing education program for new directors.

Ethical Business Conduct

To date, the Board has not adopted a formal written Code of Business Conduct and Ethics. However, the current limited size of the Company's operations, and the small number of officers and consultants, allow the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination and Assessment

The Board as a whole is responsible for recruiting and nominating new members to the Board of Directors and planning for the succession of directors.

Compensation

The Company does not pay any compensation to its directors other than the issuance of stock options. Compensation paid to the Company's CEO is determined by the Board as a whole.

Other Board Committees

At the present time, the only standing committee is the Audit Committee. The written charter of the Audit Committee, as required by NI 52-110, is contained in Schedule "A" to this Circular. As the Company grows, and its operations and management structure became more complex, the Board expects it will constitute formal standing committees, such as a Corporate Governance Committee, a Compensation Committee and a Nominating Committee, and will ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.
